

Invitation to sponsors and exhibitors at the itSMF conference 2016

“Service Management With Superheroes Of The World”

The greatest Nordic conference on IT Service Management and ITIL will take place at

**Clarion Hotel Oslo Airport
Wednesday 13. - Thursday 14. April 2016**

An increasing number of businesses are focusing on IT Service Management and basing their working processes on ITIL. Since 2003, the IT Service Management Forum (itSMF) in Norway has organised conferences with steadily growing attendance figures. The interest is enormous and this year we are expecting more than 600 participants.

The exhibition is the conference’s natural network-building arena. Stands for exhibitors are located around the outer walls of the spacious hall, providing a large mingling area in the centre. This year, as previously, we will set up a Barista Bar in the centre of the exhibition area containing high tables and bar stools. As a result, a large number of participants will gravitate towards the exhibition area during breaks.

The conference target groups comprise all those who work in service-oriented businesses:

- Managers and decision-makers at all levels
- Key personnel from both the IT and commercial organisations of companies
- IT service providers from all industries, in both public and private sectors
- All those who believe that sharing experience and professional refreshers are essential to success
- All with an interest in the fields of ITIL and IT Service Management

For our 2016 conference we are offering two different sponsor packages: Main Sponsors and Partnership Sponsors. You will also have an opportunity to participate simply as an exhibitor. We are usually fully booked, so don’t delay in sending us your registration! Allocation of Partner Sponsor and Exhibitor packages is made on a first-come first-served registration basis.

Main sponsor (maximum 2) – NOK 150,000 (maximum 2)

For the 2016 itSMF Conference we will use the same criteria for Main Sponsors as last year. Those wishing to be Main Sponsors should submit a creative description of how they would like to see the technical fields of IT Service Management and ITIL promoted. How can we expand social interaction in the exhibition area? How can we promote the total experience of the exhibition area? Send your brief description to itsmf@itsmf.no.

The deadline for registration as a Main Sponsor is Wednesday 14 October!

Main Sponsor applicants will be notified by Friday 16 October if they have been selected. itSMF Norge, Møllergaten 24, 0179 OSLO
